Directors Notes

The Pantomime is based on 'Puss in Boots' and has all the ingredients of a fun filled Christmas show for all ages. It is packed full of traditional characters you will all recognise, along with others who add to its Australian flair. If you're expecting the hilarious antics of the traditional Dame, you will not be disappointed as we have three very funny op shop "ladies". Judith Prior has put an Australian twist in her adaptation of this classic with her "Puss in Thongs" fun pantomime.
